So I sat down on my bed, got my guitar out of it's case,

Am7 C
But I couldn't seem to manage, no the words weren't ringing true.
G Em C G
And I just can't stop myself from writing love songs about you.

G Am7
Then I tried to sing a tune that I was taught when I was young.
G Am7
Oh the melody was sweet enough, but the words came out all wrong.
Am7 C
'Cause my head is just so heavy with you stuck in there like glue.
G Em C G
And I just can't stop myself from singing love songs about you.

Who wants to hear another song about your face?
D Am G Am7 G Am7
About the kisses from your lips, or just some other old cliche?

Now I'm trying hard to stop you running circles in my brain.

But every lyric that I hear contains the letters of your name.

Since you left me all I think of is the music we once knew,
G Em C G Am7 G Am7
And I just can't stop myself from hearing love songs about you.
