C
I like burning houses down, and factories as well.
I like burning anything, it's the truth I tell.
F
Libraries and museums, both of them have fell,
C
I like burning things, burning things is swell.
I would like to start it as a fashion trend amongst the young people, then the world might end.
F
Wouldn't it be fun, to ring the funeral bell,
C
On our civilization, and watch it burn in Hell.
G7
Start a fire, start a fire, start a fire today.
C G7 C
Burn it, burn it, burn it, burn it, burn it all away. Fire! Fire!

C
In the summer I like to go to the country side,
Where I burn a forest down, I watch it burn with pride.
F
Isn't nature wonderful, it makes things so dry,
C G7 C
Burn it, burn it, burn it, burn it, burn the countryside.
G7
Start a fire, start a fire, start a fire today
C G7 C
Burn it, burn it, burn it, burn it, burn it all away. Fire! Fire!

C
It makes me feel so sad to see young people dance,
They could burn the discotheque down, they've got every chance.
F
Then they'd get themselves into the news,
C G7 C
Burning things, burning things can make you famous too.
G7
Start a fire, start a fire, start a fire today
C G7 C
Burn it, burn it, burn it, burn it, burn it all away. Fire! Fire!
C G7 C
Burn it, burn it, burn it, burn it, burn it all away.
