VERSE 2

Well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love
Listen to the music of the moment people dance and sing
We're just one big family
And it's our God-forsaken right to be loved love loved love loved

CHORUS 2

So I won't hesitate no more, no more
It cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

VERSE 3

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
But my breath fogged up the glass
And so I drew a new face and laughed
I guess what I'm saying is there ain't no better reason
To rid yourself of vanity and just go with the seasons
It's what we aim to do
Our name is our virtue

CHORUS 2

VERSE 4

Well no no, well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love love
Listen to the music of the moment come and dance with me
A la one big family (2nd time: A la happy family)
It's your God-forsaken right to be loved love love love
