**C**  
 I drove by all the places we used to hang out getting wasted  
**C** **F**  
 I thought about our last kiss the way it felt the way you tasted  
**Am** **F**  
 and even though your friends tell me youre doing fine  
**C** **F**  
 and youre somewhere feeling lonely even though hes right beside you  
**C** **F**  
 when he says those words that hurt you do you read the ones I wrote you?

**Am** **F**  
 Sometimes I start to wonder was it just a lie?  
**Am** **F**  
 If what we had was real how could you be fine?  
 Cause Im not fine at all

**C** **F**  
 I remember the day you told me you were leaving  
**Am** **F**  
 I remember the makeup running down your face  
**C** **F**  
 and the dreams you left behind you didnt need them  
**Am** **F**  
 like every single wish we ever made

**C** **F**  
 I wish that I could wake up with amnesia  
**Am** **F**  
 forget about the stupid little things  
**C** **F**  
 like the way it felt to fall asleep next to you  
**Am** **F**

and the memories I never can escape

cause Im not fine at all

**C** **F**  
 The pictures that you sent me theyre still living in my phone  
**C** **F**  
 Ill admit I like to see them Ill admit I feel alone  
**Am** **F**  
 all my friends keep asking why Im not around  
**C** **F**  
 it hurts to know youre happy and it hurts that youve moved on  
**C** **F**  
 its hard to hear your name when I havent seen you in so long

**Am** **F**  
 Its like we never happened was it just a lie?  
**Am** **F**  
 If what we had was real how could you be fine?  
 Cause Im not fine at all

**C** **F**  
 I remember the day you told me you were leaving  
**Am** **F**  
 I remember the makeup running down your face  
**C** **F**  
 and the dreams you left behind you didnt need them  
**Am** **F**  
 like every single wish we ever made

**C** **F**  
 I wish that I could wake up with amnesia  
**Am** **F**  
 forget about the stupid little things  
**C** **F**  
 like the way it felt to fall asleep next to you  
**Am** **F**  
 and the memories I never can escape

**Am**  
 If today I woke up with you right beside me  
**F**  
 like all of this was just some twisted dream  
**Am**  
 Id hold you closer than I ever did before  
**F**  
 and youd never slip away  
**F**  
 and youd never hear me say

**C** **F**  
 I remember the day you told me you were leaving  
**Am** **F**  
 I remember the makeup running down your face  
**C** **F**  
 and the dreams you left behind you didnt need them  
**Am** **F**  
 like every single wish we ever made

**C** **F**  
I wish that I could wake up with amnesia  
**Am** **F**  
forget about the stupid little things  
**C** **F**  
like the way it felt to fall asleep next to you  
**Am** **F**  
and the memories I never can escape  
  
Cause Im not fine at all
