**VERSE**

```
                 F
Oh, it was the first time I fell in love
              C
The first time I felt my heart
            F
It was the first time I sang out loud
                 C
All through the night
             Dm
But before I knew I was lost
         C
Before I knew I was a prisioner
        G                           F
And I still can't find a way to make it right
