Eb = D#
Gb = F#

Intro. G D C x3

Verse 1

```
G      D          C
me_____ and my best friend
G         D          C
we stand along wounderin' whats wrong with
      G       D       C
the people that we meet
```

Chorus

```
G           D           C
well they told us to watch our step
G                   D        C
coz round every corner we will be met
G     D     C        D        G
by another group of teenage wannabees
```

Verse 2

```
G     D          C
me_____ and my best friend
G          D          C
we stand along wounderin' whats wrong with
       G       D       C
the people on the street
```

Chorus

```
G           D           C
well they told us to watch our step
```

```
G                        D        C
coz round every corner we will be met
G     D     C       D       G
by another group of teenage wannabees
```

Interlude

```
G   D C  x3
```

Chorus

```
G          D          C
well they told us to watch our step
G                        D        C
coz round every corner we will be met
G     D     C       D       G
by another group of teenage wannabees
```

last **Verse**

```
G     D        C
me_____  and my best friend
G     D        C
youre my bestfriend
G     D     C
me and you till the very end
```
