

Big Bang 2

Charlie McDonnell

INTRO

Dm Bb G Bb

VERSE 1

Dm Bb
The Doctor's stuck in the Pandorica, Amy might be dead
C G
And Rory's a roman with a gun inside his hand, seems like things aren't going as planned
Dm Bb
River's in the TARDIS, the TARDIS is on fire, she's feeling the heat on repeat; she'll require
C G
Someone she can trust, someone with a bowtie, but he's been locked up and left to die

CHORUS

Dm Bb G Bb
Oh my god, what will they do?
Dm Bb G Bb
It seems impossible to get through
Dm Bb G Bb
My mind is blown I bet yours is too
Dm Bb G Bb
Well, I guess this is Doctor Who

VERSE 2

Dm Bb
Rory's quite distressed and he starts to sob, when the Doctor appears with a mop
C G
"Get me out of the Pandorica" "But you're not in the Pandorica"
Dm Bb
"Yes I am, well, yes I was, it's complicated but I won't explain it now because..."
C
Then he disappeared into a hazy fuzz
G
That man, I can't explain why he does the things he does

CHORUS

Dm Bb G Bb
Oh my god, I don't have a clue
Dm Bb G Bb
These paradoxes are hard to construe
Dm Bb G Bb
My mind is blown, I bet yours is too
Dm Bb G A
Well, I guess this is Doctor Who

MIDDLE

Bb' A
It's the Big Bang Two and I need to review
Dm
What on earth just happened before my eyes
Bb' A
Time has gone askew, the universe has too
Bb' C' Dm Bb G
I'll try and explain to you the Big Bang Two
Bb Dm Bb G Bb
The Big Bang Two

VERSE 3

Dm
The Doctor's got River's vortex manipulator
Bb
Which he'll use to meet Rory two thousand years later
C G
When they find Amy after her sleep in the box
Dm
They realize the sun is really the exploding TARDIS
Bb
Doctor saves River from the imitated star
C G
This woman watches back, can't help but point out the obvious

CHORUS

Dm Bb G Bb
Oh my god, he's wearing a fez
Dm Bb G Bb
Oh my god, he's wearing a fez
Dm Bb G Bb
Oh my god, he's wearing a fez
Dm Bb G Bb
Oh my god, he's wearing a fez

VERSE 4

Dm Bb
A Dalek pops up out of nowhere, shoots the Doctor, kills him, quite unfair
C G
He jumps back twelve minutes to the stairs, he's dead, and everyone despairs
Dm Bb C
Little do they know, the Doctor lies, he's done stopping the universe's demise
G Dm Bb G Bb
Amy says her last goodbyes, Doctor flies up into the skies

CHORUS

Dm Bb G Bb
The uni - verse is back, it's true
Dm Bb G Bb
But the Doctor's said his final adieu
Dm Bb G A
Maybe you'll come back if she remembers you

MIDDLE

Bb' A
It's the Big Bang Two and I need to review
Dm
What on earth just happened before my eyes
Bb' A
Time has been renewed, the universe has too
Dm
But Amy still can't help but cry
Bb' A
There's someone missing, the question's who
Bb' A
Then she remembers something old, something new
Bb' C' Dm Bb G
Something borrowed, something blue
Bb Dm Bb G
And that's the Big Bang Two
Bb Dm
I hope it didn't confuse you
