#### **VERSE 1**

F

Closed off from love I didn't need the pain

Dm

Once or twice was enough and it was all in vain

Bb

Time starts to pass before you know it you're frozen

Г

But something happened for the very first time with you

Dm

My heart melts into the ground found something true

Bb

And everyone's looking round thinking I'm going crazy

#### **CHORUS**

F

But I don't care what they say, I'm in love with you

Dm

They try to pull me away but they don't know the truth

ih

My heart's crippled by the vein that I keep on closing. You cut me open and I

F

Keep bleeding, keep, keep bleeding love

Dm

I keep bleeding, I keep, keep bleeding love

Rh (

Keep bleedin, keep, keep bleeding love. You cut me open

#### VERSE 2

F

Trying hard not to hear but they talk so loud

Dm

Their piercing sounds fill my ears try to fill me with doubt

Bb

Yet I know that the goal is to keep me from falling

F

But nothing's greater than the rush that comes with your embrace

Dm

And in this world of loneliness I see your face

Rh

Yet everyone around me thinks that I'm going crazy, maybe, maybe
