Verse:

They would yell, they would scream, they were fighting it out
 She would hope, she would pray, she was waiting it out
 Holding on to a dream, watch you watch as its walls fall down

Bbm

Sharp words like knives, they were cutting her down

Gb

Shattered glass like the past it's a memory now

Ab

Gb

Holding on to a dream, watch you watch as its walls fall down

Chorus:

Db

Ab

Hey mum, hey dad, when did this end?

Bbm

When did you lose your happiness?

Gb

I'm here alone inside of this broken home

Db

Ab

Who's right, who's wrong, who really cares?

Bbm

The fault, the blame, the pain's still there

Gb

I'm here alone inside of this broken home

Bbm
