You were...

working as a waitress in a cocktail bar, when I met you. I...  
*working as a waitress in a cocktail bar, that much is true. But...*

picked you out, I shook you up and turned you around, turned you into someone new. Now...  
*even then I knew I'd find a much better place, either with or without you. The...*

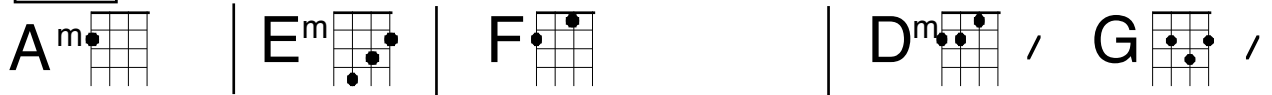

five years later on you've got the world at your feet. Success has been so easy for you. But ...  
*five years we have had have been such good times I still love you. But...*

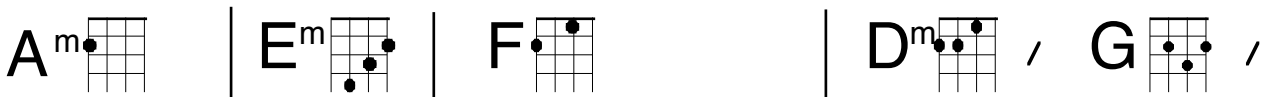

don't forget it's me who put you where you are now, and I can put you back down too  
*now I think it's time I lived my life on my own. I guess it's just what I must do*

## Bridge

Don't, don't you want me? You know I can't believe it when I hear that you won't see me

Don't, don't you want me? You know I don't believe you when you say that you don't need me

It's much too late to find you think you've changed your mind. You'd

better change it back or we will both be sorry...
