# First Dance

## Never Shout Never

F C

It started with your hips, so I moved up to your lips

Bb

To take a chance, ask for a dance

Cause you're the cutest thing on this side of the world

 $\mathbf{C}$ 

We call our homes, yet I feel so all alone

Bh

Half of the time we gotta live with what we got

C

And I got nothing so agree to take my hand

Н

so we can conjure up with something rad

#### **CHORUS**

Bb' F

And you could move on with your whole life

C

Just like you do

Bb

Just like you shooby do do do

Bb<sup>'</sup>

But you could make everything alright

C

And I want you to

Bb

Because ever since the first dance all I thought about was loving on you

#### **VERSE 2**

F C

So I moved to the dance floor with instincts and nothing more Bb

C

And there was nothing to do but laugh

So I took another leap, hoping to sweep you off your feet Bb

I said, "Baby maybe we could bust this joint

Ć

And see if my place is open to chill."

### **CHORUS**
