-riff-

even when the sky is falling down
 even when the earth is crumbling around my feet
 even when we try to say goodbye
 you can cut the tension with a knife in here

Gbm **Dmaj7**
 cause I know what will happen
E
 if we get through this

Chorus:

A **D**
 and if the earth ends up crumbling down to its knees baby
Gbm **E** **D**
 we just gotta get out, we just gotta get out
A **D**
 and if the skyscrapers tumble down and crash around then baby
Gbm **E** **D**
 we just gotta get out, we just gotta get out

-riff-

I feel so damn lost

and it comes with a cost

Dmaj7

of being alone

D **A** **Gbm** **E**
 everything is falling down we're suffering hopeless thought
D **A** **Gbm** **E**
 and out we sing prayers go to the sky

Chorus:

A **D**
 and if the earth ends up crumbling down to its knees baby
Gbm **E** **D**
 we just gotta get out, we just gotta get out
A **D**
 and if the skyscrapers tumble down and crash around then baby
Gbm **E** **D**
 we just gotta get out, we just gotta get out

Bridge:

E **D**
 and if we fall -it's not your fault-
E **D**
 shadow covering -our selfish foes-
E **D** **E** **D**
 and as our love -go out of the high note-
 -riff-

even when the sky is falling down
 even when the earth is crumbling around my feet

Dmaj7

around my feet

Chorus:

A **D**
 and if the earth ends up crumbling down to its knees baby
Gbm **E** **D**
 we just gotta get out, we just gotta get out
A **D**
 and if the skyscrapers tumble down and crash around then baby
Gbm **E** **D**
 we just gotta get out, we just gotta get out

D **E** **Gbm** **A**
 and if the earth ends up crumbling down to its knees then baby
D **E** **A**
 we just gotta get out, we just gotta get out
