

## LONG WAY HOME

### by 5 Seconds Of Summer

**Intro: E A**

**Ebm Db B**

We're taking the long way home  
-Taking the long way home-

**Gb**

Take me back to the middle of nowhere

**B**

Back to the place only you and I share

**Ebm Db**

Remember all the memories

**B**

The fireflies and make believe

**Gb**

Kicking back at the old school yard

**B**

Singing songs on our guitars

**Ebm Db**

This is our reality

**B**

Crazy, stupid you and me

**Ebm Db B**

We know this is the way it's supposed to be

**Gb Db B**

So we're taking the long way home -taking the long way-

**Gb Db B**

'Cause I don't wanna be wasting my time alone

**Gb Db**

I wanna get lost and drive forever with you

**Ebm B**

Ab = G#  
Bb = A#  
Db = C#  
Eb = D#  
Gb = F#

Talkin' 'bout nothing yeah whatever baby

**Gb Db B**

So we're taking the long way home -taking the long way-

**Gb Db**

Tonight

**B Gb Db**

We're taking the long way home

**B**

We're taking the long way home

**Gb**

Now we're stuck in the middle of nowhere

**B**

Yeah you know we took our time to get there

**Ebm Db**

We're hiding out in a dream

**B**

Catching fire like kerosene -kerosene-

**Gb**

And you know I'd never let you down

**B**

'Til the sun comes up

We can own this town

**Ebm Db**

Something like make believe

**B**

Living in a movie scene

**Ebm Db B**

Know this is the way it's supposed to be

**Gb Db B**  
So we're taking the long way home -taking the long way-

**Gb Db B**  
'Cause I don't wanna be wasting my time alone

**Gb Db**  
I wanna get lost and drive forever with you

**Ebm B**  
Talkin' 'bout nothing yeah whatever baby

**Gb Db B**  
So we're taking the long way home -taking the long way-

**Ebm Db**  
Hitting every red light

**B Gb**  
Kissing at the stop signs darling

**Ebm Db B**  
Green Day's on the radio

**Ebm Db**  
And everything is alright

**B Gb**  
Now we're turning off the headlights darling

**Ebm Db B**  
We're just taking it slow

**Gb Db B**  
 So we're taking the long way home -taking the long way-  
**Gb Db B**  
 'Cause I don't wanna be wasting my time alone  
**Gb Db**  
 I wanna get lost and drive forever with you  
**Ebm B**  
 Talkin' 'bout nothing yeah whatever baby  
**Gb Db B**  
 So we're taking the long way home -taking the long way-

**Ebm Db**  
 Hitting every red light  
**B Gb**  
 Kissing at the stop signs darling  
**Ebm Db B**  
 Green Day's on the radio  
**Ebm Db**  
 And everything is alright  
**B Gb**  
 Now we're turning up the headlights darling  
**Ebm Db B**  
 We're just taking it slow

**Outro -2x-:**

**E B**  
**B Gb**  
 We're taking the long way home
