Lullaby

Cory McAbee

1 = B 3 = D

D7

D7

VERSE 1

D7

This here's a lullaby

D7

It's song to go to sleep by

D

Close your eyes while my friend and I here sing you a lullaby

Listen to the words of the song

They're all about cats and dogs

D7

Cats and dogs and stars in the sky in a pretty little lullaby

In a pretty little lullaby

D

VERSE 2

D D7

Close your eyes

D7

Shut 'em down tight

D

Stars in the sky shining up bright, everything will be alright

D7

Here comes the sandman

D7

With a pocket full of sleep dirt

D7 D

He's not a bad man, not as bad as he seems. He'll get you dreaming your baby dreams

He'll get you dreaming your dreams

D

VERSE 3
D D7
This here's a lullaby song
D D7
It's a melody for a little kid to go to sleep on
G D D7
I never sung a lullaby in my life and I'm making it up as I go on
D D7
If you have a bad dream tonight
D D7
You only gotta call my name
G D D7
I'll come running just as fast as I can and I'm a whole lot tougher than any one of them
D D7
In the morning when you wake up
D D7
Look around and you'll see me
G D D7
If you wanna get up just wake me up and I'll be as happy as I can be
VERSE 4
D D7
This here's a lullaby
D D7
It's song to go to sleep by
G D D7
Close your eyes while my friend and I here sing you a lullaby
D D7 D
I'll sing you a lullaby
