### VERSE 1

Em C6 Cadd9 D  
And I, I called through the air that night  
G Gsus4 G Gsus4 D  
A calm sea voiced with a lie  
Am D  
I could only smile, I've been alone some time  
Am D  
And all, and all, it's been fine

### VERSE 2

Em C6 Cadd9 D  
And you, you had hope for me now  
G Gsus4 G Gsus4 D  
I danced all around it some - how  
Am D  
Be fair to me, I may drift a while  
Am D  
Were it up to me, you know why

### VERSE 3

Em C6 Cadd9 D  
And I, I called through the air that night  
G Gsus4 G Gsus4 D  
The faults were swarm - ing in - side  
Am D

Am D  
Were it up to me, all from your eyes

And I, I called through the air that night

Filled your glass with gin, filled your heart with pride

Em C6 Cadd9 D  
And you, you had hope for me now
