

# SOMEWHERE OVER THE RAINBOW

Lyrics by E.Y. Harburg, Music by Harold Arlen

INTRO = Bb Dm Eb Bb, Eb D7 Gm Eb

Bb Dm Eb Bb  
Somewhere over the rainbow, way up high

Eb Bb F Gm Eb  
There's a land that I heard of, once in a lullaby

Bb Dm Eb Bb  
Somewhere over the rainbow, skies are blue

Eb Bb  
And the dreams that you dare to

F Gm Eb F7  
Dream really do come true

Bb  
Someday I'll wish upon a star

F Gm Eb F7  
And wake up where the clouds are far behind me

Bb  
Where troubles melt like lemondrops

A7  
Away above the chimney tops

Dm Eb F7  
That's where you'll find me

Bb Dm Eb Bb  
*I see trees of green and red roses too,*

Eb Bb D7 Gm  
*I'll watch them bloom, for me and you*

Eb F7 Bb Eb Bb  
*And I think to myself, what a wonderful world*

F Bb  
*The colors of the rainbow so pretty in the sky*

F Bb  
*Are also on the faces of people passing by*

Eb Bb Eb Bb  
*I see friends shaking hands saying, "how do you do?"*

Eb Bb C7 F7  
*They're really saying, I, I love you.*

Bb Dm Eb Bb Abdim  
Somewhere over the rainbow, bluebirds fly

Eb Ebm Bb G7  
Birds fly over the rainbow,

C7 F7 Gm Eb Bb  
Why then, oh why can't I? ooo o
