SONG OF OLD HAWAI`I

Words and Music by Gordon Beecher & John Noble. 1937

C

There's a perfume

G7

Of a million flowers

                                   C   G7

Clinging to the heart of old Hawai`i

         C

There's a rainbow

              G7

Following the showers

                               C   C7

Bringing me a part of old Hawai`i

                  F

Chorus: **There's a silver moon**

               C   (F) C

    A symphony of stars

               D7

    There's a hula tune and

              G7

   **The hum of soft guitars**

           C

There's the tradewind

              G7
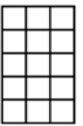

Sighing in the heaven
                               C   (G7 before repeat)
