INTRO

VERSE 1

C' C5- Csus4 C

The stars won't shine until you're mine

C' C5- Csus4 C

The moon won't glow until you know

C' C5- Csus4 D7

That ever since you stumbled blindly fell into my world

C' C5- Csus4 C

I have come undone my heart's unfurled

VERSE 2

C' C5- Csus4 C

No sun has set ever since you left

C' C5- Csus4 C

The clocks all stopped but you did not

C' C5- Csus4 D7

I need to wind the earth again to start it going round

C' C5- Csus4 C

Oh I need to right what let you down

C' C5- Csus4 C

Oh I need to right what let you down

VERSE 3

C' C5- Csus4 C So I'll call you up with words of love

C' C5- Csus4 C

C' C5- Csus4 C

No the stars won't shine until you're mine
