

# Takin' Care Of Business (by Bachmann Turner Overdrive in Key of C)

(Instrumental Intro)

(Verse 1) You get up every morning from the alarm clock's warning,

Take the 8:15 into the city. There's a whistle up above,

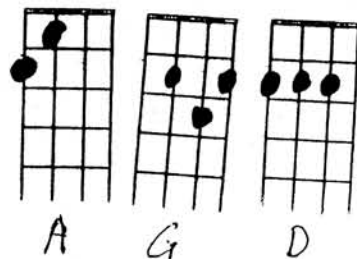

And the people push and shove, and the girls who try to look pretty.

And if your train's on time, you can get to work by nine,

It's tough just raising jobs to get your pay.

If you ever get annoyed look at me I'm self-employed,

I love to work at nothing all day.

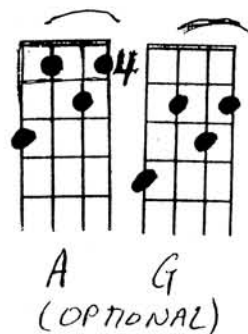

**Chorus:** We've been Takin' Care Of Business, every day,

Takin' Care of Business, every way.

We've been Takin' Care Of Business, it's all mine,

Takin' Care Of Business, workin' overtime. (next Verse 2)

(Then repeat Verse 1, and then...)

Taking Care Of Business (every day), Taking Care Of Business, (every way)

Taking Care Of Business (it's all mine), TCOB (workin' overtime)...

(End with regular Chorus 3X)

(Verse 2) It was easy a fishin', you could be a musician,

if you could make sounds loud or mellow. Get a second-hand guitar,

Chances are you will go far if you get in with the right bunch of fellows.

People see you havin' fun just a lying in the sun,

Tell them that you like it this way.

It's the work that we avoid and we are all self-employed,

We love to work at nothing all day. And... **Chorus:**
