## Lorde

Capo 1st fret

### ACCAPELLA INTRO

Wait 'til you're announced  
We've not yet lost all our graces  
The hounds will stay in chains  
Look upon your greatness and she'll send the call out

### VERSE 1

F  
Call all the ladies out, they're in their finery  
Dm C  
A hundred jewels on throats, a hundred jewels between teeth  
F Dm  
Now bring my boys in, their skin in craters like the moon  
C  
The moon we love like a brother, while he glows through the room  
F  
Dancin' around the lies we tell, dancin' around big eyes as well  
Dm C  
Even the comatose they don't dance and tell

### CHORUS

Bb Dm  
We live in cities you'll never see on screen  
C Dm  
Not very pretty, but we sure know how to run things  
Bb Dm C  
Living in ruins of a palace within my dreams  
Dm Bb  
And you know, we're on each other's team

## BRIDGE

I'm kind of over getting told to throw my hands up in the air, so there

## VERSE 2

So all the cups got broke shards beneath our feet  
But it wasn't my fault  
And everyone's competing for a love they won't receive  
'Cause what this palace wants is release

## CHORUS

## BRIDGE

I'm kind of over getting told to throw my hands up in the air, so there  
I'm kinda older than I was when I revelled without a care, so there

## CHORUS

## OUTRO

We're on each other's team  
And you know, we're on each other's team  
We're on each other's team  
And you know, and you know, and you know
