

# Terrence Loves You

Lana Del Rey

## INTRO

## VERSE 1

D C D D C D  
You are what you are, I don't matter to anyone  
C Bm  
But Hollywood legends will never grow old  
C Bm  
And all of what's hidden, well it will never go cold

## CHORUS

D Am7  
But I lost myself when I lost you  
C Bm  
And I still got jazz when I've got those blues  
D Am7  
And I lost myself and I lost you  
C Bm  
And I still get trashed darling when I hear your tunes

## VERSE 2

D C D D C D  
But you are who you are, I won't change you for anything,  
C Bm  
For when you are crazy, I'll let you be bad  
C Bm  
I'll never dare change you to what you are not

## CHORUS

## MIDDLE

A G  
Put the radio on hold you tight in my mind, Isn't strange that you're not here with me  
A G  
But I know the lights on in the television, Trying to transmit, can you hear me?  
Bm A G  
Ground control to Major Tom  
A Bm  
Can you hear me all night long?  
A G  
Ground control to Major Tom
