

Tied Down

Colbie Caillat

① = A# ③ = C#
② = F ④ = G#

Or capo at the first fret.

F C6 F C6

VERSE 1

F C6
Oh I don't know what to say
F C6
And I have told you lately
F C6
That I'm tired of talking about the same old reasons we change
F C6
Just take it easy don't worry about a thing these days

CHORUS

F C6
Because I'm keeping it cool, now thinking about you, sticking around and if we should pay
F C6
Tied down, looking around and I know what I want so don't hold me down

VERSE 2

F C6
Oh I, I don't play games
F C6
And I, I have been learning
F C6
To just to let it all go and quiet when I feel like speaking
F C6
My mind done whatever it is I need to make clear and just say

CHORUS

F C6
That I'm keeping it cool, now thinking about you, sticking around and if we should pay
F
Tied down, I'm looking around and I know what I want so don't hold me

Am G C
Down
Am G C
Down
Am G C G
Down don't you hold me down

CHORUS

Because I'm keeping it cool, now thinking about you, sticking around and if we should pay
Tied down, looking around and I know what I want so don't hold me down

VERSE 3

Oh I, I can't take it
So please please please won't you listen
To the troubles all around me, I'm caught up and I'm barely breathing
But I'm finding that holding on is harder than never leaving.

F C6 rpt to end
