VERSE 1

Some things are long forgotten C G F
Some things were never said C G F
We were on one endless road C G F
But I had a wandering heart Dm7

You kept trying to prove me wrong (Said you'd always see it through) C G F
And I know that I ran you down
So you ran away with your heart Dm7

CHORUS

But just know that I want you back C F C
Just know that I want you back, F G Am C F Just know that I want you
I'll take the fall and the fault in us C F

VERSE 2

I know it's hard to hear it
And it may never be enough
But don't take it out on me now
'Cause I blame it all on myself
And I had a fear of forgiveness (Said it from the beginning)
I was too proud to say I was wrong (Said you'd always see me through)
All that time is gone, no more fearing control
I'm ready for the both of us now

CHORUS

But just know that I want you back
Just know that I want you back, Just know that I want you
I'll take the fall and the fault in us
I'll give you all the love I never gave before I left you
Just know that I want you back
Just know that I want you back, Just know that I want you
I'll take the fall and the fault in us
I'll give you all the love I never gave before I left you
