**Intro:** C Am F

**Verse:**

C  
 For a while we pretended  
 Am  
 That we never had to end it  
 F  
 But we knew we'd have to say goodbye  
 C  
 You were crying at the airport  
 Am  
 When they finally closed the plane door  
 F  
 I could barely hold it all inside

**Chorus:**

C G Am  
 Torn in two, and I know I shouldn't tell you  
 F C G  
 But I just can't stop thinking of you  
 Am F  
 Wherever you are, you, wherever you are  
 C G Am F  
 Every night I almost call you just to say it always will be you, wherever you are

**Interlude:** C Am F

**Verse:**

C  
 I can fly a thousand oceans  
 Am  
 But there's nothing that compares to  
 F  
 What we had and so I'll walk alone  
 C

I wish I didn't have to be gone

**Am**

Maybe you've already moved on

**F**

But the truth is I don't want to know

**Chorus:**

**C** **G** **Am**  
Torn in two, and I know I shouldn't tell you

**F**

**C**

**G**

But I just can't stop thinking of you

**Am**

**F**

Wherever you are, you, wherever you are

**C** **G** **Am** **F**  
Every night I almost call you just to say it always will be you, wherever you are

**Bridge:**

**Am** **F** **C**  
You can say we'll be together someday

**G**

Nothing lasts forever

**Am**

Nothing stays the same

**F**

So why can't I stop feeling this way

**Chorus:**

**C** **G** **Am**  
Torn in two, and I know I shouldn't tell you

**F**

**C**

**G**

But I just can't stop thinking of you

**Am**

**F**

Wherever you are, you, wherever you are

**C** **G** **Am** **F**  
Every night I almost call you just to say it always will be you, wherever you are
